

DYSLEXIA WEEK

October 2020

Dyslexia Creates

WE WILL BE PUTTING ASIDE THE 5-11TH
OCTOBER TO EXPLORE DYSLEXIA CREATES

Looking at the power of dyslexia to create ideas, organisations and society and the invaluable contribution this makes to the UK. We recognise, however, that dyslexia also creates challenge and barriers so this theme will enable us to raise awareness of these and explore best practise in dyslexia support that empowers individuals to achieve their potential.
