Bromley Trust Academy - Midfield Campus

At Bromley Trust Academy we believe in securing the from all and inclusion and cohesion are at the heart of our ethos at Midfield Campus. We aim to raise standards by promoting a school ethos which is underpinned by core values that support the development of the child as a reflective learner and we strive to ensure that everything we do has a positive impact on our learners.

We are proud of our record in promoting equality of opportunity for all. We try to create a happy, secure and stimulating learning environment in which all members of the school community can grow in confidence and develop their full potential. In addition to high levels of achievement for all groups of learners, success is also demonstrated with the reintegration of our learners into mainstream education.

We live our lives by the maxim that we 'Decide' our own futures. The Letters Decide stand for:

Discovery – every moment, everyday is an opportunity to learn or discover something new.

Endeavour - to try our hardest and have the determination to face challenges.

Community - believing in our communities and taking care of people within this

Independence – becoming independent learners

Decisions- making sensible choices and knowing that we are responsible for these.

Everyday – aspiring to these values everyday.

By focusing on our ethos and values we will prepare our learners for a life in modern day Britain, where they have the opportunity to go to university, to secure jobs, to be leaders in our community and to live a happy family life.
